Dear Marysol:

Many thanks for remembering me after the Meeting which I was unable to attend. Books, disks and other material were very welcome. Weather has not allowed me to display the t-shirt, but I am looking forward to it.

I hope I'll be able to make it next year if you hold another meeting. Alfonso may have explained to you that March is the beginning of our academic year. Things get the often restless and it is not a good time for the Rector to be absent.

Yours truly,

JUAN DE DIOS VIAL CORREA  
Rector
