Dear Sir:

With great pleasure I received your letter of February 26, informing me of the approval of a grant for up to \$ 140.900 CAD.

I am confident that IDRC will be amply satisfied with our University's contribution to Phase II of the research project being funded, and look forward to results which may be of significant importance for third world nations.

On behalf of the Pontificia Universidad Católica de Chile, I wish to express my sincere thanks for the above mentioned grant.

Sincerely,

JUAN DE DIOS VIAL CORREA
RECTOR
