Universidad Católica de Chile
Office of the Director
Santiago, Chile

Dear Sir:

Will you please send me available information or a catalogue on existing courses of your institution. I am particularly interested in the art courses.

I would also appreciate the name of a United States student that is studying in your institution with whom I may correspond, that is if you have US students attending your school.

Your prompt reply will be greatly appreciated.

Very truly yours,

R. D. KENNEDY
