OFFICE OF THE SECRETARY

September 28, 1951

Dear Sir:

I have the honor to inform you that at a meeting of the Board of Trustees of The Rockefeller Foundation on September 28, 1951, Appropriation RF 51131 to the Catholic University of Chile was amended to make funds already provided available for the purchase of apparatus and for research expenses of the Departments of Physiology, Neurophysiology, and Physiopathology of the Medical School. This action was taken in conformity with the information contained in your letter of July 5, 1951.

It is the understanding of our Trustees that Doctors Croxatto, Luco, and Vargas are the heads of these departments and that they are continuing the research for which assistance was made available under this appropriation.

It is a pleasure to report this action to you.

Sincerely yours,

Flora M. Rhind
