Dear Sir:

We are interested in securing your Revista  
Universitaria and the Anales, Academia de Biologia  
for our library. Would you favor an exchange of  
publications with this Academy? We could offer you  
our "Proceedings" and "Notulae Naturae" in exchange  
for the two series mentioned above. If this suggestion  
meets with your approval, please notify us and we can  
then place the name of your University on our mailing  
list for future issues.

Thanking you, I am

Sincerely yours,

*Venia T. Phillips*
