Señor Arturo Pontecilla L.,  
Secretario la Academia Chilena de Ciencias Naturales,  
Casilla 114 D, Santiago, Chile.

My dear Sir:

Prof. Dr. Porter has transmitted to me the diploma of honorary membership in your Academy, and has asked me to acknowledge its receipt to you. I beg to assure you that I feel highly honored by my election to honorary membership in your Academy and that I shall value the diploma very highly. I am going to take the liberty of sending some of my own publications and some of the publications of this Bureau to the Academy in your care, and of placing the Academy on the mailing list for future publications of this Bureau. Also I shall ask the U. S. National Museum, and the Smithsonian Institution of which it is a part, to place the Academy upon their exchange list.

Believe me, my dear sir,

Yours very truly,

*L. O. Howard*
