RE: ACCOUNT NO. 3042082

Dear Dr. del Sol:

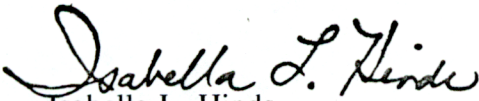

Thank you for registering in Copyright Clearance Center's Transactional Reporting Service (TRS). Your account number is referenced above. Please be sure to include this number on all future correspondence.

The current issue of the *Catalog of Publisher Information (COPI)* is enclosed. COPI lists the specific titles and publishers registered in our service, along with the publisher-set fees for photocopying. The scope of authorizations provided by CCC is described in the introductory pages.

A log sheet with reporting instructions will be placed within the front pages of COPI; please photocopy this log as needed. (I have enclosed a log for your convenience.) A monthly or quarterly schedule for submitting reports is recommended.

Please contact Dave Malloy, Sales Coordinator for the Transactional Reporting Service if you have any questions regarding your account. Your support of copyright is greatly appreciated. I look forward to working with you.

Sincerely yours,

Isabella L. Hinds
Manager, Professional Relations

Enclosure

INSTRUCTIONS FOR USING CCC-LOG SHEET

This log is intended to assist in the recording of photocopy activity authorized by the Copyright Clearance Center, Inc. (CCC). After photocopying an individual article*, proceed as follows:

- 1) Enter your CCC ACCOUNT NUMBER.

If you do not have a number, contact CCC to obtain one.

- 2) Enter the CCC ID NUMBER, the STANDARD NUMBER, the PUBLICATION YEAR, the NUMBER OF PAGES COPIED (in a particular article), and the NUMBER OF COPIES MADE (of a particular article).

The *number of pages copied* is a required entry only when there is a per-page fee. Please do not group articles together on one line of a log. Each line item is meant to include one transaction, i.e., when one article (or portion thereof) is copied.

If log sheet data fields are left empty, CCC will assume the publication year to be the current year, the number of pages to be one (1), and the number of copies to be one (1).

- 3) Send accumulated log sheets to CCC monthly.

Upon receipt of your report, CCC will issue an invoice showing a detailed listing of the charges incurred and the total authorization fees due.

* The word "article" refers to any portion of a publication that is being copied (such as column, page, article, chapter, or any series of consecutive pages).
