Santiago, Chile,

Dear Sir,

May I enquire whether you have yet been able to bring my previous communication before the members of your staff, inviting them to consider the formation of a Section of this Association, or if they already have an association of university teachers, to consider its affiliation with IAUE.

Also, may I invite your university to participate in a university Conference to be held at the University of Paris from March 31st to April 3rd, 1948, by appointing one or more representatives to attend.

I enclose literature which will give you further information under both the above heads.

Yours sincerely,

R. Douglas Laurie
(Prof.) R. Douglas Laurie,
Hon. Secretary General,
