Mr. Kenneth Prewitt
Vice President
The Rockefeller Foundation
New York, ESTADOS UNIDOS

Dear Mr. Prewitt :

It is with great pleasure that I acknowledge your letter of May 9th with the news that the Rockefeller Foundation is providing new funds in support of research in the Laboratory of Endocrinology of the Catholic University.

Your important contribution will be highly beneficial to Dr. Horacio Croxatto's team, and it is a new occasion to express the gratitude of the University to the Rockefeller Foundation.

Yours truly,

JUAN D. VIAL
Rector
