Very Reverend Monsignor:

It was for us a pleasure to know that the "New York Medical College" will sponsor the organization of an International Meeting in Santiago, in commemoration of the First Centennial of the foundation of our University.

We will be most honored if you can come to Santiago at the moment of the Meeting, and we expect you would speak at the Opening Session to be held May, Tuesday 5, 1987.

I am including copy of the letter and additional information that Dr. Ramón Rosas, Professor in charge of the organization of this Meeting, send recently to Professor John C. McGiff.

Respectfully yours,

  
JUAN DE DIOS VIAL CORREA  
Rector
