Dr.
Ivan K. Schuller
Argonne, Illinois
UNITED STATES

Dear Dr. Schuller :

Thank you very much for your letter of June 23. Our University is very grateful for the opportunity of collaborating with Argonne National Laboratory, and for your joint work with Prof. Ramírez. This type of collaboration is essential in our scientific development, and I am very glad that you value it so highly. The copy of the Department of Energy report is gratefully acknowledged.

Sincerely.

JUAN D. VIAL
Rector
Universidad Católica de Chile
