COMMITTEE

The Rector,
The Catholic University of Chile,
Santiago, Chile:

Dear Sir:

The President of the University of British Columbia, Dr. N. A. M. MacKenzie, has turned over to me, in my capacity as Chairman of the Joint Faculty Committee on Prizes and Scholarships, the letter which you were good enough to send him with regard to Mr. Sergio Gonzalez Espoz, the Agricultural Scientist of your University.

I regret to tell you that, at the present time, I do not know of any student who is available to make an exchange. Furthermore, as our regular session has ended only recently and the next regular session does not commence until September, I am very doubtful whether I shall be able to find any one this year. However I am referring your letter to Dr. C. V. Brooke, Associate Professor and Chairman of the Department of Spanish, in case he has any suggestions to offer.

Yours very truly,

Walter H. Gage

Chairman, Joint Faculty
Committee on Prizes,
Scholarships and
Bursaries.
